Pettibone is getting desperate, as he sees the breakers ahead. But Pettibone must finally yield, for as sure as the comet is seen in the east, Bob Taylor, the people's favorite, is going to be the next man who will seat himself in the Congressional chair from this district.

The Democrats have half or more of members-elect of the next House, and not one of the Democratic strongholds has spoken yet. It begins to look as if the gavel on the Speaker's desk in the Forty-eighth Congress would be manipulated by a Democrat.
